The following items not permitted at work are:

- Dirty/frayed/torn clothing.
- Very short miniskirts.
- Leggings (unless worn with boots and a dress)
- Shorts
- Hoodies
- Low cut T-shirts, blouses, and transparent clothing.
- Sports clothing, for example tracksuits and sports shirts.
- Flip-flops – open toed shoes
- Clothing that displays slogans or symbols, especially those that could cause offence.
- Clothing or jewelry that could present a health and safety risk.

The uniform policy is designed to guide team members to the required standards of dress and appearance. Team Members must maintain an appropriate standard of dress and personal appearance at work, always conducting themselves in a professional manner both within the workplace and when representing New Perspective. The policy is not exhaustive in defining acceptable and unacceptable standards of dress and appearance. Team Members must use common sense in adhering to the principles underpinning the policy. New Perspective recognizes the diversity of cultures and religions of its Team Members and will take a sensitive approach when this affects dress and uniform requirements. Where necessary the HR Team can disseminate appropriate information explaining cultural dress and customs. However, priority will be given to health and safety, security, and other similar considerations.
